CUSTOMER ENGAGEMENT EXPERTS

With 20+ years industry experience, we know how to draft connection messages that invoke positive results.

You will assigned a dedicated growth consultant that will work daily to build your most valuable social media asset.

For a low cost monthly subscription you can have your network expanded by thousands and have hundreds of leads and appointments generated on your behalf.

It all begins with a phone consultation and in days we can get to work on building your network!

How We Build Your LinkedIn Network & Brand

First, we will consult with you to determine who your most desired customers are.

Secondly, we develop compelling, professional statements for connection requests & content posts.

Thirdly, from your account we send out daily 60 connection requests, expediting meeting acceptances to you.

Fourthly, we will post on your behalf articles, videos, ads on your timeline & company pages twice a day and post on your groups once a week.

Fifthly, we will deliver to you a cumulative weekly report containing all the details gathered in Excel or CSV formats.

Bring Your Social Media Campaigns To Life

Videos - Animations - Digital Ads

We can produce effective 30 second promotional videos, animations, and ads that will express your brand and capture the attention of your audience. Content that will invoke viewer emotions and action that leads to webpage visits and more.

Both videos and animations will leverage royalty free stock videos, images and audio combined with custom text and voice overs, leveraging your logos.
